Community

When you become The Real Estate Co-op, you become part of a team that works together (much like a sports team) with an excitement and fire to want to learn and know more. You are trained, supported, cheered with, guided through teachable moments, work alongside fellow agents and your Real Estate Leader to achieve the goal of becoming a highly successful specialist in the real estate market.

* What is a cap?

"Once an agent reaches the set amount of production (cap), they are no longer required to pay the office a split, meaning the agent is at a 95% commission until their anniversary year starts again."

After Cap for the year is reach, the % for Real Estate Leader totals 95%.
